Independent Auditors' Report

The Board of Directors
ChildFund Alliance:

We have audited the accompanying financial statements of ChildFund Alliance, which comprise the statement of financial position as of June 30, 2016 and the related statements of activities and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with U.S. generally accepted accounting principles; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the organization's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the organization's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of ChildFund Alliance as of June 30, 2016, and the changes in its net assets and its cash flows for the year then ended in accordance with U.S. generally accepted accounting principles.

Report on Summarized Comparative Information

We have previously audited ChildFund Alliance's 2015 financial statements, and we expressed an unmodified audit opinion on those audited financial statements in our report dated October 8, 2015. In our opinion, the summarized comparative information presented herein as of and for the year ended June 30, 2015 is consistent, in all material respects, with the audited financial statements from which it has been derived.

Notes to Financial Statements

June 30, 2016

(with comparative financial information as of June 30, 2015)

(1) Organization

In April 2002, ChildFund Alliance was established for charitable purposes to promote the wellbeing of children and their families throughout the world.

ChildFund Alliance promotes high quality standards and provides a platform for accrediting its members designed to ensure that industry best practices are emulated. ChildFund Alliance also encourages common initiatives among members, which include a focus on child protection, closer cooperation in emergency preparedness and humanitarian assistance, and strengthening ChildFund Alliance's structure and governance to ensure greater integrity and accountability in the future. ChildFund Alliance members have also agreed to protocols for assigning program and fundraising territories so that the combined efforts of its members can be efficiently deployed.

ChildFund Alliance, a Virginia nonstock corporation, is a tax-exempt organization under Section 501(c)(3) of the Internal Revenue Code. ChildFund Alliance recognizes an uncertain tax position in its financial statements if it is more likely than not that the position will be sustained. ChildFund Alliance does not believe its financial statements include or reflect any uncertain tax positions. No provision for income taxes has been recorded for the years ended June 30, 2016 and 2015.

(2) Summary of Significant Accounting Policies

ChildFund Alliance's accounting policies are summarized as follows:

(a) Basis of Accounting

The accompanying financial statements have been prepared using the accrual method of accounting in accordance with U.S. generally accepted accounting principles.

Balances and transactions are presented according to the existence or absence of donor-imposed restrictions. This has been accomplished by recording transactions into the following classes of net assets:

Unrestricted net assets – Net assets resulting from revenue not subject to donor-imposed restrictions.

Temporarily restricted net assets – Net assets resulting from revenue whose use by ChildFund Alliance is limited by donor-imposed restrictions that either expire by passage of time or can be fulfilled and removed by actions of ChildFund Alliance pursuant to those donor-imposed restrictions.

(b) Use of Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles, requires management to make estimates and assumptions that affect reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

CHILDFUND ALLIANCE

Notes to Financial Statements

(with comparative financial information as of June 30, 2015)

(c) Revenue Recognition

Revenue is recognized during the period it is earned. Membership dues are assessed for each fiscal year and revenue is recognized for the fiscal year. In exchange for membership dues, members of ChildFund Alliance are provided certain rights to use the organization's name, trademark and affiliations. Membership dues are typically reported as increases in unrestricted net assets as the use of the related assets is not limited by donor-imposed restrictions. Cash received for membership dues for the upcoming fiscal year which are received prior to fiscal year end are reported as deferred membership dues. Contributions that have donor restrictions that can be fulfilled or removed by actions pursuant to the stipulations are recorded as temporarily restricted. Gifts whose restrictions are met in the same fiscal year as their receipt are recorded as temporarily restricted contributions and net assets released from restrictions in that fiscal year. Grant revenue is recognized as earned, generally when costs are incurred related to the purpose of the grant.

(d) Furniture, Fixtures, and Equipment

Furniture, fixtures, and equipment (including software and data processing equipment) are carried at cost or fair value at the date of donation in the case of gifts, less accumulated depreciation. Depreciation of furniture, fixtures and equipment is recorded on a straight-line basis over the estimated useful lives of the assets (5 years for furniture and fixtures and 3 to 5 years for equipment). Upon retirement and disposition, the cost and accumulated depreciation is removed from the accounts with any gain or loss reflected in the statement of activities. Maintenance and repair costs are expensed as incurred. Depreciation is allocated between program expense and management and general expense based on individual review of the use of each asset.

(e) Summarized Comparative Information

The financial statements include certain prior year summarized comparative information in total but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with accounting principles generally accepted in the United States. Accordingly, such information should be read in conjunction with ChildFund Alliance's financial statements as of and for the year ended June 30, 2015, from which the summarized information was derived.

(f) Reclassifications

Certain reclassifications have been made to the 2015 footnotes in order to conform with the 2016 presentation.
