Note: As a global measure, all sponsor visits have been suspended.

- What issues are children in these areas facing: schools closure and how to do home learning using internet base
- Child protection risks caused or exacerbated by crisis situation: assessment on process under cluster system

Part 3: ChildFund’s Response

Several action has been conducted by ChildFund Indonesia:

1. Start from 23 March 2020 staff work from home, unless other arrangements were made with the supervisor. This applies to everyone in ChildFund in Indonesia:, Jakarta Office, Kupang Office including EU-CSO staff, and staff based at partners.
2. Continue to update the staff on any emerging issue by email and Whapsapp group
3. Conducted bi-weekly staff meeting on Monday and Thursday
4. Starting identify what ChildFund’s partners need in order responding the community need
5. ChildFund Indonesia also developing proposal which potentially submit to International Office and TFCF
6. Distribute IEC materials on COVID 19 that have been send out to all LPs (based on GoI materials)
7. LPs can provide prevention tools such as : Mask, hand sanitizer to support local government if needed based on location and focused on community where they worked
8. Understanding the local government direction and follow the direction and not to denial.
9. Adding Covid19 as a topic on Parenting session at NTT areas where partners still doing the session by limiting number of participants
10. In area that already affected: we asked field facilitators to monitor the parents and children that involved in the Parenting classes, child forum - to ensure that they have been protected and follow government direction on social distancing, school from home
11. Reintroduced to the parents to provide local nutritious food for the children, everyday: such as Local Food
12. Activate the role and function of CBCPM (Community Base Child Protection Mechanism) to monitor Covid19 cases in community, to report and advise where to refer base on government regulation.
13. Advocacy; as a member of National End Violence against Children alliance - we contribute in the development of CP Protocols that initiated by KPPPA. Give inputs and comments.
14. Small response will lead by each partner where the possible partner within ChildFund working areas
15. Possible response for providing masker, distribution of IEC materials on Covid19 awareness and advocacy on Child Protection especially Community Base Child Protection Mechanism) should expand their awareness on Covid19 case which may affected children

**Below Sections for Internal Use Only**
