■ Part 1: Overall Situation

○ Situation in the country (Target area)

South Sudan update:

- As of May 5th June 2020 the total number of confirmed cases in South Sudan is 1917, with reportedly 14 deaths and 6 recoveries.
- Due to lack of reagents, the past couple of days have seen no results being released.

■ Part 2: Organization's Response or Plan for response

CRSO continues to abide by the measures taken by the government to ensure the safety of its staff and beneficiaries.

At the office:

- CRSO encourages all staff to follow measures put in place to keep safe.

At the project site:

- The school remains closed but the teachers and the school administration remain on duty from 08:00 Am to 01:00 PM. They do planning and preparation of their schemes of work.
- All previous measures put in place by CRSO to minimize staff and beneficiary safety will remain in force unless decided otherwise.
- In addition, CRSO has procured and provides beneficiaries with face masks during training workshops.

○ Security and Logistics

During the reporting period, there were no significant armed conflicts between the country's opposing forces. However, cases of intra communal violence, cattle raiding and revenge killings have continued to date.

• Partnership and Coordination

CRSO remains in contact with the South Sudan NGO Forum who regularly shares updates for the partners about the COVID 19 pandemic. In addition, CRSO regularly gets updates about the security situation in the country. By sharing information with the NGO Forum, CRSO is highly updated about issues affecting operations of NGOs in the country.
